LISTENING KEY

File 2

1 Listen to Amanda talking about a family photo. For questions 1–5 write the correct letter next to each person.

[D = Debbie, A = Amanda]

- D So, who's that next to you?
A That's my mum, her name's Glynnis.
D And is that your dad next to her?
A Yes, it is. His name's Tom.
D And who's that on your left, with the blonde hair?
A That's Sophie.
D Is she your sister?
A No, she's just a friend of the family.
D Really, she looks just like you.
A That's my sister, next to my dad.
D What's her name?
A Helen. She's two years older than me.
D And who's the little baby?
A That's George, Helen's baby boy.
D Your nephew! Isn't he lovely! How old is he?
A He's one next month. He looks like his dad, doesn't he?
D Which one's his dad?
A Andy? There, just behind Helen.

2 Listen to a person talking about his job. For questions 6–10 complete the form.

Well, I work at Highlights, the hairdresser's and I started here about two years ago. I enjoy my job. I like working with other people, I like being creative – I love making people look better. I don't wear a uniform to work – that's another advantage. I work every morning and afternoon. It's an eight-hour day, starting at half past nine. I don't usually get a lunch break. I'm free in the evenings, but of course I work on Saturdays – that's our busiest day. We're closed on Sundays. I am qualified: I've got five GCSEs and an NVQ in hairdressing, but I don't earn much money.
